

Why Choose TLC?

Fully Licensed facility

Caring, kind staff and certified teachers

Several convenient class times from which to choose

Use of Triad Gym for large motor activities

Discounts on other Triad Programs

Age-appropriate curriculum and activities

Scheduled field trips and classroom guests foster hands-on learning

Small student/teacher ratio

What TLC Parents have to say...

“One of the things I really love about Triad learning Center is the curriculum; it ‘hides’ the learning in all the fun things they do. Children will have many years of sitting at desks, but here they get to play, sing, create and socialize all while learning! And, I love the gym which provides the perfect place to run out some energy and gain gross motor skills.”

Megan Miller

“Triad has brought out skills and abilities in my son that I might never have known were there. He is reading books at four years old! The instructors have put much effort into teaching him math and reading skills that he will use for the rest of his life, and given him such a head start for Kindergarten.”

Megan Reiner

“We have been attending TLC since my oldest was 2. As my youngest finishes this year I can honestly say that the staff at TLC cares for my girls almost as much as I do! My daughters have (and will) enter Kindergarten as prepared students, understanding how to behave in a learning environment. Triad teaches the basics (letter, numbers, etc) thoroughly, but more than that, they make learning fun. My girls LOVED going to preschool at Triad!!!”

Jodi Halsted

Triad Learning Center (T.L.C.) Available Programs:

Tot Time:

(for two year olds)

This is a one and one half hour class one or two mornings per week. Tot Time is designed to introduce your 2 year old child to basic toddler skills, socializing with peers, and separating from parents. This class is intended to take place without in-class parent participation.

Three Year Old Classes:

(for children turning three on or before Sept.15)

The three year old curriculum is play based with the children learning through large group games, circle time activities, and free play opportunities.

Four Year Old Classes:

(for children turning 4 on or before Sept. 15)

The four year old curriculum consists of play based learning with opportunities to acquire and use academic readiness skills as well.

Kinderschool:

This class is designed to prepare your child socially and academically for kindergarten. A play based curriculum will be utilized with structured academic readiness activities that will give your child the skills he/she needs to begin kindergarten the following year.

What will my child do at T.L.C.?

The following is a list of a few of the many activities your child will be offered while attending a class at Triad Learning Center:
