Dear Parents,

All of us here at the Triad Learning Center are very excited to be starting our school year! We plan on having a year full of fun and excitement beginning with our unit entitled "All About Me". We will be talking about names, birthdays, families and much more during the first two weeks of school. This unit will help the staff and students get to know each other a little better through journaling, crafts and other fun activities.

Please know that you are always welcome to stop in and learn with us. The first few weeks are an adjustment period for some children and may be a bit hectic. If possible it would be helpful if you waited a couple of weeks before joining us.

If you have any questions please feel free to come to me before or after class or give me a call at your convenience at 963-0215. You can also e-mail me at triadtlc1@aol.com.

We look forward to an awesome year!!! I know you will be very happy that you chose the "Triad Learning Center" for your child's academic beginning!!

Sincerely,
Stephanie Kipling
Director TLC

THINGS YOU NEED TO KNOW:

- SHARING:** Each class (except TOT TIME) will have a chance to bring something to share on the last day of class each week. If at all possible we ask that it somehow relates to our theme or letter of the week. Please send ONE item only to share. The item should fit in their backpack.
- LETTER OF THE WEEK:** We will be concentrating on a different letter each week of the year. The letter for each week in September is listed above.
- PICK UP AND DROP OFF:** It is very important that you follow the Guidelines for drop off and pick up as stated in the handbook. Your child should be dropped off no more than 5 minutes before, and should be picked up no more than 5 minutes after their class is dismissed. Staff members have a limited amount of time between classes to eat, prepare for the next group, or get to school in time to pick up their own children. We appreciate your consideration!!
- "WISH BOWL":** We will have a wish list in the hall way through out the school year. If at any time you wish to contribute an item please take the fish off of the bowl and bring it back to school with the item you purchased.
